Enterprise Content Management Solutions Provider,
Paperless Solutions, Inc. receives Diamond Award

March 17, 2017 – Bensalem, PA - [Paperless Solutions, Inc.](http://www.paperless-solutions.com), recently received the prestigious Diamond Award which recognizes companies that empower organizations to become more agile, efficient and effective through OnBase by Hyland, an industry leading enterprise information platform product. The Diamond Award also distinguishes companies that go above and beyond to ensure the OnBase by Hyland customer community is supported with excellence.

“It’s a proud honor and the fourth year in a row we’ve been able to achieve this award from Hyland.” reflects [Paperless Solutions, Inc.](http://www.paperless-solutions.com) CEO, Mike Hinkson. “We work hard to ensure we are highly knowledgeable about the [enterprise content management](http://www.paperless-solutions.com) (ECM) software we deploy. We also address our client’s unique needs by developing innovative solutions in concert. Given the long term relationships we have with our varied client base, we know they recognize we are the dedicated technical partner they can continually rely on to improve the way they work.”

Only a very limited number of partners achieve this status. Partners must qualify each year across a variety of thresholds including customer service, extensive technical training, experience and certifications.
